The Institute of Internal Auditors (IIA) Tanzania is a Professional Association that brings together internal audit practitioners and other interested parties in internal auditing in Tanzania. IIA Tanzania aims to create awareness of the contemporary role of internal audit, promote adoption and application of the International Professional Practice Framework (IPPF) and advocate globally accepted and recognized Internal audit professional certifications. Institute of Internal Auditors (IIA) Tanzania was registered in 2007 under the Societies Act, Cap 337 of the Laws of Tanzania [2002 Revised Edition].

IIA Tanzania is an affiliate to The Global Institute of Internal Auditors (IIA) which is an international professional association of more than 200,000 members established since 1941. As a member of the global fraternity of the Institutes of Internal Auditors, IIA Tanzania reaps the advantage of IIA's global leadership in Certification, education, research and professional guidance for the worldwide community of internal audit professionals. IIA Global is the only institution that provides universally applicable International Standards for the Professional Practice of Internal Auditing as well as the Code of Ethics to promote an ethical culture in performing Internal Auditing.

Other than a global affiliation, IIA Tanzania is a member of African Federation of the Institutes of Internal Auditors (AFIIA) and it hosts AFIIA Secretariat.
