

INTERNAL AUDIT SIMULATION PRACTICAL WORKSHOP ON: NEW SYLLABUS

1. Internal Audit Fundamentals 2. Internal Audit Engagement

“IIA Tanzania CIA Review classes are run by qualified, experienced, and professional trainers. Attending the course provides you with not only the skills to pass the exam but most important you go back a more knowledgeable auditor equipped with skills you can immediately use to enhance your audit results”

16 – 27 JUNE 2025

MOROGORO, TANZANIA

The IIA’s Global Internal Audit Standards, effective in January 2025, guide the worldwide professional practice of internal auditing and serve as a basis for evaluating and elevating the quality of the internal audit function. The updated CIA exam syllabi, and the exam content that is covered by the syllabi, are designed for alignment with the Global Internal Audit Standards.

Additionally, as the business world faces ongoing changes and emerging risks, internal auditors must determine how to meet their organization’s needs. The knowledge, skills, and abilities required of internal auditors to provide professional assurance and advisory services continually evolve.

This is an interactive, instructor-led study of the entire syllabus for the CIA Exam. It is more appropriate for CIA candidates, Internal Auditors seeking professional development, Risk managers and students in accounting, business or any degree programs. This is comprehensive Physical Session encounters facilitated by- our internationally acclaimed instructors who are Certified Auditors and training experts.
