Internal Auditors
Tanzania

THE 9TH CHIEF AUDIT EXECUTIVES FORUM AND RETREAT

40 CPE HOURS

**18 – 22
NOVEMBER 2024**

**TANGA BEACH RESORT
TANGA**

“An exclusive forum that brings together Chief Internal Auditors, Senior & Principal Internal Auditors and Audit Managers to network and explore matters that are essential in leading internal audit department and deliver value to their organization”

The Institute of Internal Auditors (IIA) Tanzania warmly invites you to the 9th Chief Audit Executives Forum and Retreat, scheduled for November 18-22, 2024, at Tanga Beach Resort Hotel in Tanga, Tanzania. Under the theme "Pioneering Pathways: Leading the Transformation in Internal Audit Function" this exclusive forum calls upon leaders in internal auditing to drive transformative change within their departments. Together, we will explore the strategic steps necessary to build an internal audit function that earns the trust and respect of key stakeholders, by enhancing team capabilities, streamlining processes, and fortifying the department's role within the organization. Through real-life examples and practical insights, you will gain actionable strategies to position yourself as a leader at the forefront of innovation, equipped to guide your department toward new heights of performance and value.

Theme: Pioneering Pathways: Leading the Transformation in Internal Audit Function

Key Topics for Discussion:

Day 1: Exploring New Horizon in Risk and Resilience

Topic 1. Strategic Risk Management and Emerging Threats: Navigating the Evolving Risk Landscape

Understanding and addressing ESG risks, cybersecurity threats, and integrating risk management into strategic planning.

Topic 2. Empowering Audit's Role in Building Organizational Resilience

Strategies for internal audit to support resilience against economic, technological, and regulatory changes.

Day 2: Cultivating Future Leadership and Ethical Standards

Topic 1. Leading with Integrity: The Role of CAEs in Fostering a Culture of Ethics

Audit techniques for assessing organizational culture and frameworks for promoting ethical leadership.

Topic 2. Developing Tomorrow's Leaders: Talent Management and Succession Planning

Leading practices for identifying and nurturing future audit leaders, addressing team diversity and dynamics.

Day 3: Enhancing Quality and Forward-Thinking in Audit Practices

Topic 1. Innovative Quality Assurance: Adapting to New Internal Audit Standards

Practical approaches to integrating new audit standards, ensuring compliance, and enhancing audit quality.

Topic 2. Critical Thinking as a Catalyst for Superior Audit Performance

Techniques for enhancing critical thinking skills within audit teams to foster creativity and problem-solving.

Day 4 & 5: Consolidating Insights and Defining Future Paths

Topic 1. From Insights to Action: Recap, Resolutions, and Quality Assurance in Audit

Summarizing key learnings, setting actionable goals, and reinforcing quality assurance principles

Topic 2. Harnessing Technology Innovation for Audit Excellence

Exploring technological advancements like AI and data analytics in auditing.

Why Should I Attend?

Leadership Development: Gain the skills and insights necessary to lead a forward-thinking internal audit function that meets and exceeds evolving stakeholder expectations.

Actionable Strategies: Learn practical, actionable strategies to strengthen your department's impact through real-life examples and best practices shared by industry leaders.

Innovative Practices: Discover new pathways and innovative practices in internal auditing that can transform your department's value, positioning it as a trusted advisory within the organization

Peer Networking: Connect with other Chief Internal Auditors and senior audit professionals, fostering a community of knowledge-sharing and collaborative growth.

Empowering Transformation: Leave with the tools and inspiration to spearhead transformational change, ensuring your department not only adapts but thrives amid the changing landscape of internal auditing.
